

Airport Junction

Adelaide's new economic powerhouse, designed for the future of freight and logistics

Adelaide's new hub for growth, unlocking the most sought after and exclusive destination for cargo and freight businesses.

A logistics precinct that is built for the new economy, providing scalable solutions for businesses looking to access South Australia's premier transport interchange, Adelaide Airport.

Strategic
Location

With seamless access to Adelaide’s freight network, Airport Junction is perfectly located to offer unmatched efficiencies for businesses.

B-Double road access to North-South Connector

As part of the development works, a new B Double loaded roadway will be delivered, **connecting the precinct directly to Adelaide’s future North-South Corridor**, via Richmond Road. This access provides new unlocked efficiencies for road freight networks.

6km to the Adelaide CBD

Conveniently situated only 6km from the Adelaide CBD, this precinct offers easy access to Adelaide’s expanding workforce, with **proximity to crucial public transport and road networks**. The central location provides outstanding work-life opportunities for your workforce.

Runway to Road

The precinct will seamlessly integrate with airside freight services. Dedicated road access allows for air freight to enter the precinct directly from the terminal in under 4 minutes. This efficiency means the **crucial link connecting air freight to your facility couldn’t be easier**.

Future Development

Adelaide Airport Limited

Adelaide Airport Limited (AAL) is the Leaseholder and Operator of Adelaide Airport, Australia's fifth largest airport and the gateway to South Australia. Owned by five major Australian superannuation companies, AAL's financial strength and backing is substantial.

Adelaide Airport remains one of the most sought after landholdings in South Australia, presenting an unmatched location just 6km from the CBD and with direct access to key supply networks.

Development Record

AAL has implemented a proactive approach to our development strategy, which has unlocked extraordinary opportunities for development across the airport.

Building momentum from the successful Terminal Expansion development (\$167m) and the recent Mitsubishi HQ, AAL has established itself as a seasoned developer. With a proven track record of delivering excellence, AAL is poised to shape South Australia through delivering strategic projects that will elevate Adelaide's growing economy and contribute significantly to the State's future.

Partnership with AAL

As operators of Adelaide Airport until 2097, AAL has the unique ability to take a long-term approach to development partnerships. This involves devising adaptable solutions for partners and tenants, fostering enduring relationships and providing financial security.

Be part of Adelaide's most exclusive freight and logistics community at Airport Junction.

Adelaide Airport Ltd's (AAL) purpose is to proudly connect and shape South Australia.

Part of executing this purpose is the delivery of strategic projects that will significantly change the landscape of the airport. Our strong focus on development, coupled with a 200 hectare land bank, has placed AAL in an extraordinary position to elevate Adelaide's growing economy and contribute significantly to South Australia's future growth.

AAL has been the custodian of Adelaide Airport since May 1998. Our long-term commitment to the airport and its occupants results in not only a reliable and committed partner, it also enables AAL to offer a unique end-to-end development solution. From the commencement of negotiations and design through to construction, fitout, handover and ongoing property management, AAL will be a consistent partner. Post completion, throughout the tenant's occupation, AAL's property team will continue to provide an unmatched level of collaboration and stability.

Adelaide Airport is already the proud home to more than 300 companies, including major enterprises such as Mitsubishi, FEDEX, DHL, Otis, Bunzl and Australian Clinical Labs. Partner with us and explore the opportunities for your business to prosper.

Everyone's favourite airport.
